

The RAND Corporation is an independent, non-profit organization that performs research and analysis. During the time period in question (fiscal year 2021 through fiscal year 2023), RAND has had contracts and grants with various agencies of the federal government to perform research and analysis. Research has been performed for the Departments of Agriculture, Commerce, Defense, Education, Energy, Health and Human Services, Homeland Security, Justice, Treasury, Veterans Affairs, the Administrative Office of the United States Courts, the Centers for Disease Control and Prevention, the National Institutes of Health, the Federal Communications Commission, the Intelligence Community, the Medicare Payment Advisory Commission, the National Aeronautics and Space Administration, the National Science Foundation, the Social Security Administration, and the US-China Economic and Security Review Commission, among others. A list of RAND donors, grantmakers, and clients can be found in RAND's annual reports at [https://www.rand.org/about/annual\\_report.html](https://www.rand.org/about/annual_report.html)

The total amounts listed give an estimate of RAND's funding awarded from federal health care agencies for the last three years. A further breakdown of contract information can be made available to the committee if requested.

Fiscal Year	Dollar Value
FY23	\$5,717,874
FY22	\$77,751,454
FY21	\$68,756,749
FY20	\$64,650,897
